

Bridal Boats

Whether it's a wedding or a reception at Standedge the best way to arrive is on board our boat.

It takes around 15 minutes to make the trip from Marsden to Standedge via the canal. Standing on the front of our boat as it emerges from under the railway bridge and then turning around in the basin by the venue makes for a splendid photo opportunity!

Our website huddersfieldcanal.org.uk has more information on what we can offer.

Bookings are made via the venue.

About Us

Our boats are owned and operated by the Huddersfield Canal Society, a Registered Charity. It is operated by our dedicated team of fully trained unpaid volunteers.

Volunteering

If you would like to **volunteer** to help us run the boats, please contact us using the email below.

No previous boating experience is required as we will provide all necessary training.

Huddersfield Canal Society

Come for a Boat Trip in Marsden or Uppermill

Our Boats

Each boat carries up to 12 passengers and is operated by trained unpaid volunteers. No fares, we just ask for a donation.

Marsden

We run a regular shuttle service between the lock by Marsden Station and the Standedge Tunnel where there are lots of activities for visitors.

The trip lasts 12 to 15 minutes each way. No timetable, but we leave Marsden Station (Lock 42E) or the Tunnel End around every 30 minutes. Search for Marsden Boat Trips on Google Maps to make sure the boat is running and see where the trip starts.

Uppermill

We run round trips from outside the Saddleworth Museum & Gallery going up the canal past the park & turning before the first lock.

The trip lasts around 15 minutes so there is never long to wait for the next one. Search for Uppermill Boat Trips on Google Maps to make sure the boat is running and see where the trip starts.

Operating Times

We run the boats between Easter and the end of October on most weekends & public holidays. We also run mid week as often as we can during local school holidays.

Private Hire

Both our boats are available for private trips of up to 12 people on weekdays outside school holidays.

The half day trips are available in both Marsden and Uppermill and include locks and a café visit.

Special Events

We run a number of events in both locations each year. This includes **Pirate Days** and **Scary Halloween** trips and music boats during the Marsden Jazz Festival. Take a look at our website to see what's planned.
